Introduction:
As a global leader in sensor, software and autonomous solutions with operations in more than 50 countries
worldwide, Hexagon seeks to have a positive impact on the environment by acting sustainably and addressing
environmental challenges in its internal operations and supply chain. This Hexagon Environmental Policy ("Policy")
applies to all Hexagon employees and guides interaction with customers and suppliers.

By upholding high standards of environmental sustainability processes, Hexagon supports activities that aim to
reduce its environmental footprint, better meet customer requests, attract and retain talent, generate savings,
mitigate environmental risks, and fuel innovation.

Hexagon is committed to:
➢ Reducing greenhouse gas emissions in its operations and supply chain.
➢ Increasing energy efficiency at its production facilities.
➢ Reducing waste in factories and offices and implementing processes for sustainable resource management.
➢ Reducing the stress of water and air quality from its own operations and supply chain.
➢ Integrating sustainability considerations into product development, design and production processes.
➢ Creating a culture of sustainability among employees.
➢ Being a role model in the management of environmental issues.

Hexagon’s actions are:
➢ Developing and implementing a Sustainability Programme within Hexagon.
➢ Strictly follow chemical safety regulations including the EU Directive on Registration, Evaluation, Authorisation
and Restriction of Chemicals (REACH, EC1907/2006) within divisions that fall under such operational contexts.
➢ Implementing an environmental management system (ISO 14001 certification or equivalent) in its major
production facilities.
➢ Implementing sustainability requirements for its suppliers through the Hexagon Supplier Code of Conduct and
conducting sustainability supplier audits.

Raising Concerns:
Any party, including personnel, vendors, suppliers, partners, and others with whom Hexagon conducts business,
may report credible information regarding a violation or suspected violation of this Policy to Hexagon’s compliance
team via email at compliance@hexagon.com or directly via telephone, text or email to Hexagon’s Chief Compliance
Officer. In addition, you can report misconduct via Hexagon’s Ethics & Compliance Reporting System. Hexagon
prohibits any retaliation against persons reporting a potential or actual violation in good faith. The integrity of the
reporting process is taken very seriously, and as such, your identity as the individual reporting the suspected
violation will, wherever possible, not be revealed to local-level personnel.
